

Dear Friends of Carroll Lutheran School,

It is with great anticipation that we are now accepting registration for Carroll Lutheran School for the academic year 2008-2009.

Registration materials are enclosed. A student must be age 5 on or before September 1, 2008, to be eligible for entrance into kindergarten for the 2008-09 school year. If you request early admission and your child demonstrates capabilities that warrant early admission, a screening will be scheduled and admission granted on a case by case basis. We run a full day kindergarten program. A non-refundable registration fee of \$190 per student is due with submission of the registration form. Current students and siblings will be given first priority for enrollment. Classes are limited in size so early registration is encouraged. Those applications not accepted due to full enrollment will be held on a waiting list, but registration fees will be returned if we are unable to find an opening for your child. Registration for new students is not final until they are assessed by one of our teachers. You will be notified of the date for this assessment.

Tuition is due by August 1st. Those parents who choose to pay installment payments either by semester or monthly, pay a slightly higher amount for this choice. Please see the enclosed sheet on tuition for further information. Carroll Lutheran School offers multi-student pricing for families with more than one child enrolled. See enclosed sheet for specifics.

We look forward to an excellent academic year. If you have any questions or concerns regarding the upcoming school year or the enclosed registration materials, please feel free to call me.

Sincerely,

Bronson E. Jones
Principal
